SUNDAY, JUNE 24, 5pm at Potluck and Praise - "THE FOOL"
Before Hollywood releases a new film, they often have a "test screening" where an audience watches it and fills out a form to help them improve the project before its big debut. That is what Woodlawn Baptist Church will be doing on Sunday, June 24, 5pm, in the social hall.

The film is "The Fool" - What do you do when the world's most famous atheist mocks you internationally on television and throughout social media? What consolation can you find when you become known worldwide as atheism's celebrity idiot?

You look to the Scriptures and take consolation in how Joseph was humiliated before the time came when God opened a big door of opportunity for him, and how Moses was abased before God opened a big sea for him. You take comfort in knowing the principle of humiliation before promotion—that God often takes someone low before raising him up for His use.

And that's what happened when Ray Comfort was christened "Banana Man" by Professor Richard Dawkins. Millions came under the sound of the everlasting gospel, all because of that humiliating name: Banana Man. So if you're afraid of looking foolish, this true story not only will encourage you and bring your fears into perspective, it will increase your faith in God and help you to see His wonderful hand in your own life.

HISTORY OF FATHER'S DAY In 1966, Lyndon B. Johnson, through an executive order, designated the 3rd Sunday in June as the official day to celebrate Father's Day. However, it wasn't until 1972, during the Nixon Administration, that Father's Day was officially recognized as a national holiday.

NOTE: Cindy will be out of the office the week of June 25. The bulletins for Sunday, June 24 and July 1 will be printed on June 22. Please advise the office on or before Wednesday, June 20 regarding any information to be in either bulletin.
