BENEDICTION #129 "Great and Mighty"

OUR 5PM SERVICE ON SUNDAY IS A BIT DIFFERENT!

This is a casual, welcoming time that includes a devotional from Pastor Smith; and Sunday dinnertime with your church family is potluck. What people bring is what we have, always fun and surprising.

We gather together in the Sunday school classroom **directly under the sanctuary**. There will be no kitchen or clean up "staff" provided. We will not be using the stove or oven. We are a church family and we all pitch in. So bring someone and something to your church home today. Enjoy the surprise for dinner and the blessed assurances from the Word. Like

the early believers who "... ate together with glad and sincere hearts, praising God and enjoying the favor of all the people. And the Lord added to their number daily those who were being saved." Acts 2:46b & 47

PARKING LOT GARDEN – This week's tea bag tip:
-Tea bags can grow a garden! Provided of course, that you have seeds, water, a plastic container for growth and a paper towel. You can germinate the seeds and then replant them in your wider garden.
-Tea bags can also speed up the decomposition process in the compost piles. If you waste a lot of time waiting for the compost bin to decompose, just throw a few tea bags in there and reduce your waiting time in half.
-We are collecting used tea bags until July 1 for the parking lot garden. We will also accept dried, used, coffee grounds and egg shells. Please see Aaron Spilka if you can donate to our garden.
